**Special Thanks** to Catherine and David Noakes and Steve Conner who erected our new wooden posts on which we can hang our banners. The new set-up will accommodate multiple sizes of banners. It looks great!

## Youth Ministry News

The EYC went to St. Matthias in Midlothian on April 28th for Chanco Day. The youth played games and interacted with youth from other churches in the area. It was a lot of fun. We are going to be at Chanco on May 4th for a Chanco Work day.

May Weekend is set for May 17th through 19th. Our youth will be in attendance.

The Easter Egg hunt was a lot of fun the kids had a great time. I want to give a special thanks to Stephon Simmons for helping me put this together.

Thank you, Michael Vasiloff
